3: Are your flexible working arrangement options for NON-MANAGERS the same as the options for managers above?

Yes

4: Were managers in your organisation allowed to make INFORMAL flexible working arrangements with their team members in response to the COVID-19 pandemic?

### Yes, ALL managers

5: Did you see an increase, overall, in the approval of FORMAL flexible working arrangements for your workforce compared to pre-COVID-19?

No

6: If your organisation would like to provide additional information relating to flexible working and gender equality in your workplace, please do so below.

Re question 5, we observed a greater increase in the uptake of informal flexible work practices across all genders and manager and non manager categories throughout the period. The number of employees with formal flexible work arrangements in places remained reasonably static year on year.

| No                            | Other (provide details) Insufficient resources/expertise                                                                                                                                                                                                                                                                                                                                                                           |  |  |  |
| Other (provide details)       | GPT staff operate in 25 assets across three states. Given our geographic reach, it is not feasible for us to develop child-care facilities across multiple locations, noting the scale of our organisation's workforce and the associated varying levels of demand. We believe offering consistency in the support we provide to our working parents is important and have instead focussed on subsidising the cost of child care. |  |  |  |
| Breastfeeding facilities      | Yes(Please indicate the availability of this support mechanism.)                                                                                                                                                                                                                                                                                                                                                                   |  |  |  |
